

Memorandum of Understanding

Memorandum of Understanding Between the following agencies:
the Merrimac Police Department, the Amesbury Police Department, the Salisbury Police Department, the Newburyport Police Department,
the Newbury Police Department, and the West Newbury Police Department

I. Introduction

- A. This Memorandum of Understanding (MOU) is a voluntary agreement between the participating agencies listed below:

Merrimac Police Department
Amesbury Police Department
Salisbury Police Department
Newburyport Police Department
West Newbury Police Department
Newbury Police Department

- B. This MOU incorporates the necessity of interoperability to maintain and support an equally accessible public safety communications system.

II. Goals of the Agreement

The intended goal of this agreement is for the shared use of all FCC licensed frequencies by each participating agency. The use of these frequencies will be in accordance with Mutual Aid and interoperability needs within the communities served.

III. General Principals

- A. **Whereas**, the Merrimac Police Department will provide non exclusive use of its FCC Licensed frequencies, listed within call sign WQG365, to all participating parties included within this MOU. And will be solely responsible for the maintenance of its owned communications equipment.
- B. **Whereas**, the Amesbury Police Department will provide non exclusive use of its FCC Licensed frequencies, listed within call sign KCB788, to all participating parties included within this MOU. And will be solely responsible for the maintenance of its owned communications equipment.
- C. **Whereas**, the Salisbury Police Department will provide non exclusive use of its FCC Licensed frequencies, listed within call sign WIH683, to all participating parties included within this MOU. And will be solely responsible for the maintenance of its owned communications equipment.
- D. **Whereas**, the Newburyport Police Department will provide non exclusive use of its FCC Licensed frequencies, listed within call sign KCA570, to all participating parties included within this MOU. And will be solely responsible for the maintenance of its owned communications equipment.
- E. **Whereas**, the Newbury Police Department will provide non exclusive use of its FCC Licensed frequencies, listed within call sign WIH730, to all participating parties included within this MOU. And will be solely responsible for the maintenance of its owned communications equipment.
- F. **Whereas**, the West Newbury Police Department will provide non exclusive use of its FCC Licensed frequencies, listed within call sign WII289, to all participating parties included within this MOU. And will be solely responsible for the maintenance of its owned communications equipment.

IV. Mutual Understanding & Agreement

In mutual agreement herein, the participating agencies agree to provide the aforementioned usage of frequencies to all other participating agencies for the purposes of interoperability and mutual aid.
